Consumers, charities, school districts, and small businesses that employ 10 or fewer individuals can use the E-Cycles program for FREE. This includes computers (including tablets), monitors, printers, peripherals, and tvs. Other individuals who bring in seven (7) or fewer devices can also recycle at no charge. Manufacturers have been paying for the e-waste collection and recycling program since July 1, 2011. Other electronics may be accepted. At some locations there may be a charge for these other electronics. Please call the facility for additional information.
