SWAC is composed of the towns of Benson, Chittenden, Fair Haven, Middletown Springs, Pawlet, Rutland Town, Shrewsbury, Sudbury, Tinmouth, and West Haven and serves a population of approximately 14,000 people. These towns work cooperatively to comply with State laws and mandates managing solid and hazardous waste issues in an environmentally responsible and cost effective manner.

In 2022, SWAC successfully complied with Year Two Act 148 / ANR Solid Waste Implementation Plan (SWIP) requirements. The SWIP meets the requirements of the State’s Material Management Plan and outlines how solid and hazardous waste will be managed in the SWAC towns for a five-year period. All towns in Vermont are required to be included in a SWIP, and the requirements are extensive. The currently approved and adopted SWIP is available for review on the SWAC website. (rutlandcountyswac.org)

SWAC acts as a liaison to the State of Vermont representing the SWAC town’s interests on issues pertaining to legislation, rule changes, SWIP requirements, and Product Stewardship.

SWAC is a member of the Vermont Product Stewardship Council and Product Stewardship Institute.. These groups have been instrumental in getting Environmental Producer Responsibility (EPR) legislation passed in Vermont. The EPR legislation requires manufacturers to be financially responsible for the end of life collection of their product(s) thereby saving Vermont’s resident’s disposal/recycling costs. Active programs are in place for the collection of architectural paint, batteries, automobile switches, mercury thermostats, mercury lamps, compact fluorescent bulbs, and electronics waste. Efforts are still ongoing to pass new legislation requiring manufacturers of household hazardous waste products and paper and packaging to pay for end of life disposal of their products. Contact your local representative to support these efforts.

HOUSEHOLD HAZARDOUS WASTE (HHW): HHW collection is the most costly endeavor undertaken. . SWAC contracted with US Ecology to hold three household hazardous waste (HHW) events. 5.25 tons of hazardous waste was collected from 115 households. Products included oxidizers, acids, alkalines, reactives, pesticides, aerosols, flammable liquids, ammonia, mercury devices, mercury, batteries, latex, oil based, and flammable paints, propane tanks, batteries, asbestos, pcb ballasts, and antifreeze.

Thank you for participating in SWAC’s efforts to properly recycle and dispose of solid and hazardous waste. To keep your communities HHW and solid waste collection costs down, remember to **Repurpose, Reuse, Repair, Refuse, Reduce, and then Recycle**. Consider buying less-toxic products that do not need to be disposed of as hazardous waste.. If you do buy a product, use it up for its intended purpose, or give it to a friend, neighbor, or relative to use. Visit the SWAC website (What Do I Do With page) for locations where electronics, paint, batteries, fluorescent bulbs, and waste oil are accepted for **FREE** year round. No need to wait for the HHW events.

2022 HW Schedule - Saturday, **April 29**, Rutland Town Transfer Station, 218 Northwood Park; Saturday, **October 7**, Fair Haven Transfer Station, 175 Fair Haven Avenue. These event times are 8:30 a.m. - 12:30 p.m. These events are free to all SWAC residents. In addition - shared event with Bennington County Solid Waste Alliance (BCSWA) -date to be determined-- For BCSWA residents and Pawlet residents at Dorset School, 130 School Drive, Dorset. The SWAC website provides additional information on these events.

Between events: Residents of SWAC towns may purchase a non-district permit to utilize the Rutland County Solid Waste District Gleason Road transfer station and hazardous waste depot. This permit allows access to the Gleason Road facility and provides drop-off of household hazardous waste, and, trash disposal at current rates, and access to recycling drop-offs. Permit purchase is available at the scalehouse or hazardous waste depot at the transfer station or at the RCSWD offices, located at 1 Smith Road, Rutland, Monday through Friday from 7:00 a.m. - 3:00 p.m. Permits are not available for sale on weekends at either location. Telephone 802-775-7209 for additional information and current rates.

Special thanks to town staff and transfer station attendants who kept operations going despite the difficulties involved. Also many thanks to the SWAC representatives, many town clerks, and administrators. They spend countless hours assuring SWAC continues to run efficiently and effectively.
